

ABOUT THE AUTHORS

Jessica Lipnack and **Jeffrey Stamps, Ph.D.**, are the world's leading experts in virtual teams and networked organizations. For over 20 years, they have consulted, lectured, conducted seminars, and have been widely published. They have launched virtual organizations (teams) for Fortune 100 companies, small and medium-sized businesses, nonprofit organizations, government agencies, major religious denominations, and educational institutions.

Lipnack and Stamps are cofounders and directors of NetAge Inc., developers of virtualteams.com[®]. The company was founded in 1998 to bring their “peopleware” methodologies to virtual teams and organizations of all sizes.

Virtual Teams: People Working Across Boundaries with Technology is their sixth book. For more information:
